

123 Disposal Inc. is an Akron area based trash hauling company seeking an individual to work on the back of a trash truck for residential trash routes. This individual would work on the back of the trash truck by themselves emptying residential trash cans and operating the levers on the back of the truck. This individual would need to physically lift, empty trash cans and/or load trash by hand.

The candidate would need to. . .

- Abide by company policies and rules
- Pass a pre-employment physical, drug & alcohol screen & background check

Typical route days start between 2-4am. Anything over 40 hours/week gets paid overtime.

Good positive attitude & reliability is a must. Compensation is \$14hr. Full-time employees get 1 week of personal time off/vacation available after every 6 months of employment. No other benefits available.

Inquires kept confidential. Please send resumes & your information to:
